To

The Secretary to the Government of Mysore
General and Revenue Department

Sir

I have the honor to state that the major portion of the people of Bannur, a pretty large town in the T. Narsipur Taluq pray for the establishment of a Municipality in their town. It contains nearly 1000 houses with a population of 4900 It is an important town situated in the Mysore - Bangalore road, via Kankanahally. From Bannur roads branch off in different directions to Mandya, Srirangapatam via Sosale, and Seringapatam. It has a third class Travellers Bungalow and a Local Fund Dispensary has been newly opened there. Wet Cultivation is carried on an extensive scale in this and neighbouring villages,

the Lands being irrigated by the Gauveri Channel which also feeds the Bannur Tank. A weekly Santay (Market) is held, and it has an extensive trade in paddy. Immediate attention to sanitation is necessary in the town now growing in importance from day to day. Two sweepers maintained now from District Funds have been found to fall short of the requirements of the place. The present income under Mohalarfa is Rs 448 and if a Municipality be established the income will be raised to Rs 1054/— The Amildar of the T. Narsipur Taluk and the successive Assistant Commissioners in charge of the Taluk urge the introduction of the Municipal Rules to Bannur. The town appears suitable for the establishment of a Municipality and calls for considerable improvement in sanitation. I request therefore that you will be kind enough to place the matter before Government and obtain their sanction for the establishment of a Municipality at Bannur. The vernacular correspondence is herewith submitted for perusal. The estimated re[illegible]

and expenditure for 1898-99 in Budget Forms I, II & III are also herewith submitted for Government sanction. The Names of Members, ex-officio and nominated, for the Municipal Board in the town will be submitted shortly.

I have the honor to be
Sir
Your most obedient servant

Illegible
for President
Local Boards, Mysore District
